

### *16 YEARS OF STERLING SERVICE*

Yesterday (15<sup>th</sup> of December 2005) was a special day for the IMLI Head of Personnel, Ms. Josephine Aquilina as it marked her 16<sup>th</sup> year of employment with the Institute.

To celebrate this important occasion, a reception was held in her honour. Professor David Attard, IMLI's Director, described Ms. Aquilina as one of the pillars of the Institute. He also expressed the Institute's appreciation for her devoted work and assistance throughout the years.

Ms. Aquilina joined the Institute shortly after its establishment (*she was selected by the first IMLI Director, Professor P. Bernie*), and has since played an important role in providing IMLI staff and students with administrative and secretarial assistance. She now occupies the post of Head of Personnel and Assistant to the Director.

Ms. Aquilina has seen 16 generations of IMLI graduates and has always offered them her assistance and support. We are confident that IMLI graduates and students will join the IMLI staff in wishing her continuous success and happiness.
