REFURBISHMENT OF IMLI PREMISES

The IMO International Maritime Law Institute (IMLI) is pleased to announce that the students' flats located in the IMLI premises have been fully refurbished and the 25th generation of lawyers enrolled in the Master of Laws (LL.M.) programme in International Maritime Law are now accommodated in these newly renovated flats.

The refurbishment was made possible thanks to the funds generously provided by the Government of Malta in accordance with the Headquarters Agreement signed between the International Maritime Organization and the Government of Malta on 13 May 1988. Over the last few months extensive work was undertaken to refurbish the bathrooms, doors and kitchenettes, thus ensuring that students are provided with the best facilities during their studies at IMLI.
