## IMLI GRADUATES ADMITTED AT IFLOS SUMMER ACADEMY

The International Foundation for the Law of the Sea (IFLOS) was established in 2003 to promote the opportunities provided by the Tribunal for the peaceful settlement of law of the sea disputes and the further implementation of the United Nations Convention on the Law of the Sea (UNCLOS). One of the Foundation's main aims is to promote learning and research in the field of international law of the sea at a global level, in particular, for nationals of developing countries.

In 2007, the Foundation established an annual Summer Academy at the seat of the International Tribunal for the Law of the Sea (ITLOS). The Summer Academy is a four-week course devoted to matters relating to both international law of the sea and maritime law. The lecturers include Judges of the Tribunal, professors, practitioners and professionals of the law of the sea and

The twelfth Summer Academy, 'Promoting Ocean Governance and Peaceful Settlement of Disputes', organised under the auspices of the Tribunal, will be held at the seat of the Tribunal in Hamburg from 22 July to 17 August 2018 (<https://www.itlos.org/en/the-registry/training/iflos-summer-academy/>).
