

INSTITUTE OF CHARTERED SHIPBROKERS' FELLOW LECTURES AT IMLI

Mr. Godwin Xerri (Fellow of the Institute of Chartered Shipbrokers and Managing Director of Focal Maritime Services Co., Ltd. Malta) delivered a series of lectures on Management and Operation of Ships, Charterparties and Documentation, and Proprietary Interests on Ships to the IMLI Class of 2010/2011.

Mr. Xerri, an authority of considerable experience in the field, explained through his lectures the commercial practices and procedures for the sale and purchase of second hand ships. His presentations, enriched by his practical knowledge and experience, put into perspective the commercial considerations and decision taking in the context of ship management, operation and chartering. Mr. Xerri also stressed that it should be always remembered that shipping is in continuous development and does not operate in isolation but in an environment with plenty of interaction amongst the various subjects of commerce and in particular amongst the many players involved in the transport chain.
