OVER 30 YEARS SERVING THE RULE OF INTERNATIONAL MARITIME LAW

The Course will discuss the current legal developments ensuring the safe navigation of ships, protection of offshore installations and coasts of maritime States. It will also cover the role of international organizations, especially IMO, and regional cooperation in overcoming such threats, the special status of warships, and the jurisprudential contribution of international courts and tribunals.

This Course will be of immense benefit to officials of maritime administrations, navies and coast guards, law enforcement agencies, prosecutors, and other security agencies involved directly or indirectly in maritime security affairs. It will also be beneficial to professionals involved in the maritime industry including lawyers, port officers, marine insurers, shipowners, and operators.

The Course will be delivered online. Candidates who attend at least 80 percent of the lectures will be eligible for a Certificate of Attendance.

To apply, please contact [sanjeet.ruhal@imli.org](mailto:sanjeet.ruhal@imli.org) by no later than 25 February 2022.
