During the visits, the Director delivered a set of lectures on *Marine Scientific Research and Limitation of Liability for Maritime Claims* to students of the International Foundation for the Law of the Sea (IFLOS) Summer Academy. Lectures to IFLOS students were also delivered by Professor David Attard (Former Director, IMLI) and Professor Malgosia Fitzmaurice (The Nippon Foundation Professor on Marine Environmental Law, IMLI). These lectures were delivered as part of the cooperation between the two institutions.

On the occasion, Professor Martínez had also the pleasure of meeting a number of IMLI Graduates, prospective students and other scholars in the law of the sea.
