REGISTER NOW

The International Seminar aims to highlight that the Convention is a living instrument which accommodates developments, and its adequate implementation facilitates a sound governance for the oceans. It will be addressed by eminent speakers who have dedicated their professional life to international law and law of the sea matters.

Attendance to the Seminar is open to all those who are interested in law of the sea issues. Through this Seminar IMLI consolidates further its position as a centre of excellence for dissemination of knowledge in international maritime law.
