## **IMLI COURSE ON THE PROTECTION OF THE MARINE ENVIRONMENT AND OCEAN GOVERNANCE**

IMLI wishes to bring to the attention of its readers its Course on the Protection of the Marine Environment and Ocean Governance. This Course, will be delivered between 14 March and 22 May 2023. The Course addresses in detail the various threats the oceans are facing and the measures adopted at regional and international level to overcome the same. The Course analyses the international regulatory framework and its interrelation with other maritime activities so that the maritime industry plays its role in the prevention of marine pollution as well as cooperation, response and compensation in case of maritime accidents. The Course thus expands further the Institute's mission in enhancing capacity-building for a sustainable use of the oceans, in line with all Sustainable Development Goals (SDGs), particularly SDG 14.
