## IMLI MOURNS THE PASSING OF DR. AWWAL BAMANGA

It is with great sadness that the IMLI family learned of the passing away of Dr. Awwal Bamanga, one of its distinguished visiting fellows.

Dr. Bamanga was Assistant Director in Marine Environment Management at the Nigerian Maritime Administration and Safety Agency (NIMASA). He was a Marine Scientist with keen interest in Environmental Sciences (Marine Sediments and environmental Bio-geochemistry).

The Director and Staff of IMLI wish to express their heartfelt condolences to his family and NIMASA for this very sad loss.
