THE UNIVERSITY OF MALTA MARITIME PLATFORM ANNOUNCES CALL FOR REGISTRATIONS TOWARDS INTERNATIONAL CONFERENCE

The University of Malta Maritime Platform (UMP) is announcing the call for registrations towards its international conference on **Innovation in Marine & Maritime Sustainable Developments: Research and Applications** to be held from 7 to 9 May 2025 in Malta.

This international conference shall involve a wide range of stakeholders within marine and maritime innovation, research and development toward achieving responsible sustainability. It will bring together academics, researchers, practitioners, industry representatives, managers, law/policymakers, experts and younger generations to discuss solutions aimed at addressing the challenges facing the marine and maritime sectors. The conference will present the latest research and technological developments that contribute to sustainable practices, effective resource management, and environmental stewardship. Participants will have the opportunity to engage with emerging trends, share insights, and discuss strategies to drive forward integrative sustainable development of marine and maritime industries.
