ORIGINS

❑ THE BLUE ECONOMY CONCEPT - GUNTER PAULI

❖ He envisages “100 innovations inspired by nature that can generate 100million jobs over a decade and redefine the model of competitiveness by stimulating entrepreneurs to change the business model”

❖ “Let us not demand more of the Earth. Let us do more with what the earth already provides”.

Dr. Emmanuel Kofi Mbiah (CEO, Ghana Chamber of Shipping; Member, IMLI Governing Board and Member, IMLI Financial and Human Resources Committee) delivering his presentation

The Institute takes great pride in the unwavering and steadfast commitment of all the Members of its Governing Bodies. Their insightful guidance and dedication play a vital role in shaping and enhancing the impact of the Institute’s work across all areas of its mission. The many achievements of the Institute would not have been possible without their commendable support.

The IMLI Governing Board is chaired by the IMO Secretary-General and is composed of eminent personalities from around the world with expertise in different areas of international maritime law and maritime affairs. The Board is assisted by the Director, the Financial and Human Resources Committee in matters relating to the funding and finances of the Institute and on administrative matters, including personnel, and the Academic Committee in matters related to the coordination and implementation of the study and research programmes of the Institute.
